Make a difference in the lives of individuals with Down syndrome!

PDSSN
PIEDMONT DOWN SYNDROME SUPPORT NETWORK

The Piedmont Down Syndrome Support Network will use the money raised by this event to enhance the lives of individuals with Down syndrome and to provide information and support to families and professionals. **Down syndrome** is caused by the presence of 3 copies of chromosome 21 (instead of the usual two copies) in the cells of the body. For that reason, March 21st (3/21) has become World Down Syndrome Day.
